Damage Deposit

We require a deposit of IDR 2.000.000 in case any damages are caused to our building during the photoshoot. **Please read the following carefully:**

- Please do not allow models to come into contact with the building walls while they have product on their skin & hair - oil, cream etc has left stains which cannot be removed without repainting the entire wall. This will be considered a damage and your deposit will be lost.
- Other damages include but are not limited to:
 - Chipping / scuffing walls with equipment or other items
 - Staining upholstery (cushions on daybed swing, couch etc)
 - Damaging glass lanterns in the courtyard
 - Cracking ceramic tiles in courtyard / hallway area
 - Damaging terazzo in treatment rooms
- We will have a member of our team discreetly supervise during your shoot. If no damages are incurred, the deposit will be returned to you in the same way you paid it (cash in Indonesian Rupiah immediately after the shoot or domestic bank transfer in 1-3 business days).

Thank you for your understanding and cooperation.
